

## Tasia Brewer

February 29, 1984 - November 14, 2019

Anastasia (Tasia) Tenee` Brewer, 35, left us unexpectedly on November 14th, 2019. She was born in Fayetteville, Arkansas, on February 29th, 1984 to Brenda Nunn and David Brewer. She graduated from Bolivar High School in 2003. Throughout the years, Tasia worked for nursing homes and hospitals in Missouri, including the Bolivar and St. Louis areas.

Tasia's dedication and compassion for the patients she cared for was selfless and immeasurable. Patients, staff, and families with Parkview Health Care Facility adored her infectious kindness and knew they could rely on her. The connections she made at Parkview stayed with her for years. She made the effort and took the time to attend previous patient's funerals as well as visit their families even after she had moved away from the area. Tasia loved a job that that not many people enjoy; however, when she put on those scrubs her heart and soul went in with them.

Tasia was well known for her kind heart and beautiful smile, but also for her love of health and fitness. She developed a passion for the fitness community which lead her to a body building competition, where she placed 2nd. This huge achievement pushed Tasia to continue putting incredible focus and patience into eating clean and perfecting her workouts.

Tasia provided care and love to several animals over the course of her life. She loved all animals that she raised, even ones that belonged to others. One of her most beloved pets was her dog Boots.

She is survived by her mother Brenda Nunn of Bolivar, Missouri, father David Brewer of Lawton, Oklahoma, siblings Tyler Scheller and wife Rachel, Jonathan Brewer and wife Tia, Lacey-Anne Williams, Brooklyn Harris, and many nieces, nephews, grandparents, aunts, uncles, and cousins.

Graveside Services for Tasia will be held 11:00 AM Thursday, November 21, 2019 at the

“ Friday, Nov. 22, 2019, "A Snow Day" in Colorado Springs, CO.

Dear Friends and Family of Anastasia,

A longtime friend contacted me earlier this morning to share Anastasia's recent transition into heaven! I would never have known otherwise. I am so sorry to hear of her death!

Anastasia cared deeply, and loved both of my elderly parents who were full time residents of Parkview Health Care Facility in Bolivar for many years. My mother, Virginia, entered Parkview early in 2005, and passed away there on Labor Day 2010.

My Dad, Mr. Leonard Paxton, entered Parkview, also, for full time care shortly before Anastasia moved to St. Louis, I believe. He loved her like a grand daughter, and also praised her for her wonderful care of my mother. My Dad had a vision of heaven on Sunday, Dec. 3, 2017, and passed away peacefully a few hours later almost two years ago.

Several times, Anastasia returned to visit my Dad, and other elderly residents at Parkview. Since I was commuting from Atlanta, GA., very often to check on my parents, I would often see Anastasia as well. It was always a joyful reunion.

We were so proud of Anastasia's accomplishments, including the purchase of her first home. We appreciated her, and shared many hugs. She will be dearly missed. I will pray for her family and friends who are grieving.

Most Sincerely,  
Mrs. Evie Jones Colorado Springs, CO.

“ This woman trained me at Parkview. I was at awe with her love of the residents and family. I always asked to work with her, she made the shift go by easily and when I fell on hard times during one Christmas she organized some staff to help give my kids a Christmas. My heart hurts that she is gone, may God Bless and comfort her family
