### PAUL RICHARD MCBRIDE

December 29, 1960 –September 08, 2018

Paul R. McBride was born on December 29, 1960 in Bolivar, MO at Dr. Zumbrum's office. He was the only son born to Billy Joe (Cowboy) McBride and Aimee Bernice Cady McBride. Paul died at the Big Springs Care Facility in Humansville, MO on September 8, 2018 with Family and friends at his side.

Paul was preceded in death by his sister Melissa Michelle McBride, Father Billy Joe (Cowboy) McBride, Grandfather Ray H. McBride, Grandmother Thadrel J. McBride, Grandfather, Amos C. Cady, Grandmother, Mary V. Cady, Aunt Dixie D. Shuler and Uncle Bill Shuler.

Paul went to Bolivar Schools but due to his hard head decided not to graduate, doing things his own way. He worked with his dad Cowboy and learned carpentry and construction. Paul could do just about anything if he set his mind to it. But Paul's real love was for fishing, come rain or shine. He had several places he liked to fish, and many stories to go along with them. Paul was a good friend but could be pretty onery if he chose to be.

Paul gave his heart to the Lord at an early age but strayed away from the Lord, but two weeks before he passed away he gave his heart back to Jesus.

He leaves behind his Mother, Bernice McBride, sisters, JoNeita Fleeman and husband Kenny, Patty Schwinck and husband Dave. The mother of his children, Darlene McBride, his children, Jessica, Jared, and Michael. Grandchildren, Ty, Maddison, and Grasen. Niece, Kendra Mauck and family, Nephew Kody Fleeman and family, Nephew Brock McBride and family. One Great Aunt Wanda Mauck that made him a chocolate cream pie 2 days after surgery and he ate the whole thing. Aunt Mary Lou Lear and family and cousins, John Shuler and family and Rick Shuler and family.

His really good friend Joe Webb that stayed with him through the whole time. Thank you for being the friend that he needed. Mike Condren thank you for being there and being a good friend too.

At this time we have no formal services planned, but someday soon

“ My fondest memory of my cousin Paul is when I was young and would spend a few weeks in the summer with him, Patty and Joneita. They took me and my sister to the pool and Paul would play with me but all the girls were trying to flirt with him. He made me feel special. He was the coolest guy i knew. I am so thankful he is in Heaven with his dad, my uncle Billy Joe, two very special men. I love you both!

“ Paul Richard was a sweet boy with a beautiful smile in his growing up years...in his teen years he helped his dad construct a half-court basketball court for Natalie and Ronda as they were big into basketball at MCE...it was a perfect job and perfect place as I could look out the kitchen window and watch them practice almost year round...precious memories for our family...God bless you and keep you McBride family in these sad days...love and hugs...Ron and Sue Entlicher...

“ Thanks Uncle Paul for building my deck and always making sure I had wood to stay warm! My time was short with you but so glad I have memories to hold on to! We love you!
