“ To the Scott family please accept my condolences of your loss. Roy's commitment to his family, farm and business is very rare and impressive. Take comfort in this as you read other condolences, he made a big impact on several people and will be deeply missed.

“ As at two months ago, I found myself drowning in credit cards debt which I wouldn't be able to complete payments for, until the end of next year and this ruined my credit score so damn bad. I talked to a trusted friend about my debts and she told me to contact King Zeus, who repaired her spouses credit sometimes this year. I did as she instructed, lo and behold King Zeus paid all my credit debts and increased my score to 810 excellent. Contact him on hackkingzeus@gmail.com if you have the same problem as mine and you'll testify to his excellent service.

“ I had the pleasure of talking with Roy and Pat a few days ago, he was working, cleaning some red brass in one of His shops. I only knew Roy for a few years but learned early on He was a Man of His word.
He told me the last time we spoke, he had lived on His farm since he was 6 years old. He seemed to me a Man very proud, yet humble, of His life accomplishments and so He should be! He and Pat created a wonderful life together, wonderful family and lots of friends. I'm privileged to have known Roy He was a good Man! The world needs more like Him.
