

Adam Christopher Quennoz

June 30, 1972 - February 2, 2016

Adam Christopher Quennoz, 43, of Halfway, passed away February 2, 2016 at Mercy Hospital in Springfield surrounded by his family, as a result of injuries sustained in a motorcycle accident on August 31, 2015.

Adam was born June 30, 1972 at Mather Air Force Base, Rancho Cordova, California. He was the fourth son of James and Natalie Quennoz. Soon after Adam's birth he and Natalie moved to Flemington Missouri to join the rest of the family.

On May 11, 1980 Adam took his First Communion at Sacred Heart Church in Bolivar Missouri, where he has remained a parishioner. He was an altar server and later served on the Parish Council. Adam was also an active member of the Knights of Columbus for several years.

Adam attended Bolivar High School, where he enjoyed playing basketball and participating in track. As a Senior Adam broke the Bolivar High School high jump record, which had been held by his brother, Matthew, for twelve years.

Adam graduated from high school in 1990 and joined the Army National Guard shortly afterwards. He was a member of the Guard for several years.

On June 26, 1993 Adam married his high school sweetheart and love of his life, Lynn Michelle Breshears. To this union was born one child, Miranda Lynn Quennoz on March 31, 2004. Miranda was the apple of her daddy's eye. They spent many hours together playing basketball, softball and bike riding. Adam was so very proud of Miranda and her athletic accomplishments in softball and basketball. He had been teaching Miranda the art of airbrushing and

flying radio controlled airplanes. Adam was also involved with coaching Miranda's softball teams for several years.

Adam had many talents and gifts. At the time of his accident he had just finished airbrushing the Halfway softball home team dugout. He had planned to start work on the visitor's softball dugout the week of his accident.

Another of Adam's hobbies was flying Radio Controlled airplanes and gliders. Adam was instrumental in establishing the Bolivar Sports Flyers, serving many years as President and holding other offices. He was also a member of the Missouri Valley Soaring Association.

Adam was employed at Tuthill in Springfield, Missouri for twenty years. In 2012 Adam had the honor of starting a new chapter of his career at Arrowhead Industries in Halfway. Adam loved his time at Arrowhead and the family of co-workers he formed there. His Arrowhead family has been a huge support to the Quennoz family since his accident. They have given their time to sit with Adam so Lynn could attend their daughter's ballgames as well as organizing and hosting the Fly For Adam Benefit.

Adam was preceded in death by his paternal grandparents, Victor and Julie Quennoz; his maternal grandparents, Edward and Anette Holak; Lynn's grandparents, Glen and Pat Breshears; and his beloved niece Kyla Quennoz. He is survived by his wife, Lynn and daughter, Miranda of the home; his parents, James and Natalie Quennoz of Bolivar; his in-laws, Randy and Janice Breshears of Halfway; his brothers, Michael Quennoz of Aldrich, Wayne Quennoz and wife Jean of Springfield, Matthew Quennoz and wife Kim of Bolivar and brother-in-law, Brent Breshears of Halfway. Nephews and nieces, Bryan Quennoz and wife Tiffany of Bolivar; Maddison Thrasher of Springfield, Taven and Talia Breshears of Halfway, Elizabeth Quennoz of Bolivar; Brooke and Bella Mayfield of Bolivar. Great-nieces and nephew, Allison and Dean Morgan, Olivia Quennoz and Ruby Quennoz. As well as many other loved cousins, friends and extended family.

“ I am so sorry for your loss. A real pleasure for me to have known Adam since Reyco days. A wonderful person, great personality, bright, who was so proud of his family. Multi talented-machinist, artist, RC flyer, sports. Glad we hooked up in St Louis area a couple of years ago, so I could watch Adam do what he really loved to do.

“ I last timed for Adam at the 2015 AMA nats. His flight was cut short by a mid-air which damaged his Pike Perfection. And then I was right next to him when his second Perfection was completely destroyed by an F3J practice launch accident. Of course he was disappointed, but never outwardly angry, or yelling, he was always a great sport. He was very competitive and very hard to beat, but he was always willing to help another pilot out. I did not know him well off of the flying field but I'm certain his good will and generous spirit extended into all the areas of his life.

Adam was also extremely proud of his daughter Miranda. He was often posting about how her Softball team was doing, and her progress learning to fly. It breaks my heart that she will not have him on earth to guide her, but I'm sure he and Lynn have given her a great grounding to grow from, and now Adam can always be near them no matter where they go.

Adam's absence will leave a hole in our hearts, but his presence for a short 43 years has made a difference in the lives he has touched, and we are all richer for having known him in some way.

“ Your family in in our hearts during this time of loss. Adam was always a good friend and fellow flyer. He got me started flying gliders and helped me out with lots of advice and helpful hints. It was always a good day of flying if I showed up and Adam was at the field or I would hear his truck pull up. He could always make my airplanes do aerobatics that I did not know they could do. Fair winds and following seas my friend. You will be missed so very much by all. James Hubbell and Abigail Haegg

“ I remember the day I met Adam. 20 years ago I walked into the hobby store and asked what flying clubs there were in the area. there were 2 guys in the shop, one was Ron Hyde and the other was Adam. Ron caught me first and told me I didnt want to go to the hawks field because the guys were too rowdy, Then Adam came over and told me the hawks was just a good bunch of guys and more on flying than rules, i joined Adam's club and have never had such a great group of guys that I am still friends with today. I drove on many fly in trips and other trips with Adam. he was very helpful to new guys and did more for the hobby around than anyone I know. He will be sorely missed.
