

Adeline Elizabeth Ramsey

July 20, 1933 - October 12, 2019

Adeline Elizabeth Ramsey, 86, passed away on Saturday, October 12, 2019 at the Bolivar Parkview Health Care Facility.

She was born on July 20, 1933 to Arthur and Minnie Kleeburger in Dennison, MN. As a teenager she was taken in and raised by her sister and brother in law, Bernice and John Lermon of Dodge Center, MN. She married Wilbur Schmoll of Dodge Center, MN on August 18, 1949. They had ten children (Larry, Dale, Ron, Kevin, Craig, Steve, Nancy, Marilyn, Susan, Sherry). Their primary home was in Rock Dell, MN. They were later divorced. On February 24, 1978 she married Kenneth Ramsey in Las Vegas, Nevada. They made their home in Humansville, MO. The marriage brought 8 step children into the family (Kenneth JR, Robert, Richard, Michael, Gary, Susan, Shirley, Sally) of Bridgeport, TX. She was loved as a mother to many daughter and son in-laws. As a grandma to many grandchildren, great grandchildren and great great grandchildren. As a dear friend to many, she never knew a stranger just a friend she hadn't met.

She wore many hats, foremost a Christian, a mother, a farmer's wife, a trucker's wife and a waitress.

She loved spending time with her family and her dogs, gardening, cooking, playing cards, doing puzzles, and watching birds. She loved animals as God's creatures. And above all, worshiping the Lord. She and Ken were very active

in their church, driving the church bus, bible study, Sunday school, Vacation Bible school and keeping the church and grounds maintained.

She spent her entire life teaching her children about the Lord, always setting an example in her words and actions. Her greatest wish was for all her children to know the Lord.

“ *One thing I remember upon first meeting Marilyn's Mother, Addie, was the love she had for her family. She had a big bulletin board of photos by her kitchen table. I looked at the photos and ate icecream with her as she told me about each one. ❤️*

My sympathies to all of you.

“ *Grandma was one of the most caring persons you could ever know. In her presence you could always feel a loving glow coming from her. She had this ability to make everyone she loved feel like the most special person in her life, and it was true. We ALL where her most special people. She just knew how to love that much.*

*Love you and miss you,
