“ So sorry to hear of your loss. I have held a special place in my heart for Adron ever since he watched over me during my first diabetic episode at Mckesson. He was an angel here on earth for me on that day so I will always think of him as a great person who always did what he could to help those around him. He was also a joy to work with. He will be very missed.

“ To my dear childhood/adult Ikerd family friends, I'm so saddened to hear of Adron's death. I fondly remember all my overnight sleep overs with Ada Marie & Linda - of course being teased unrelentlessly by Adron & Harold. I also remember morning breakfast of Cherios before walking to North Ward. I plan on coming to visitation on Sunday. My thoughts & Prayers are with you all during this difficult time & transition. May GOD give all of you the strength you will need in the upcoming weeks. Love To All, Helen Ann

“ I am so sorry for your loss. I graduated from Bolivar High School in 1965 with Adron. Later, while I was working at Sac Osage Electric Cooperative in El Dorado Springs, fire department meetings were held in our office and Adron attended. I enjoyed visiting with him at those meetings. In fact, he even came out to my home to pick up an old computer that I no longer needed. He was a kind man of many talents.
