“ *Dear Suzanne, Ralph, Arthur, and Bruce- I just learned today, (03-29-11) from an obituary on line of Alison's death. I had been trying to call her and the private phone had been canceled. Oh, how sad. It was a bit of a miracle we had a week's reunion last summer in MO after many years, letters and phone calls. I am very sorry for your loss. Alison was a treasure from the time I met her in the 7th grade, Jackson, MI. We carried on a life-long correspondence, my only one. Who else do you know other than Alison who could and would write volumes in letters? I would love to talk to you all; would you be so kind as to send me your phone numbers and email addresses, please? And perhaps when it would be best to reach you. In deepest heart beat for the loss of a bright, creative, and kind friend. Pump me for stories! Love, Judy Beal at 10,003 West Ocotillo Drive, Sun City, AZ 85373 (623-875-3469)*
