

Angel Leeann Townsend

August 14, 1980 - January 6, 2026

Angel LeeAnn Townsend, 45, passed away Tuesday, January 6th, 2026 at Barnes Jewish Hospital in St Louis MO. She was surrounded by love.

Angel was born in Kansas City, Kansas on August 14th 1980 to Duwayne Simmons and Donna S. Reed. She graduated MSU with a masters in social work. She was employed at CMH as a Home Health/Hospice social worker for the last 6 years. She loved taking care of people and she showed that everyday in her work and home life.

Angel enjoyed attending Preston Bible Baptist Church with her friends and her partner. She enjoyed a sunny day surrounded by family and friends. If she wasn't at the lake, she was picking out flowers to decorate the house with. A Saturday morning with a McDonalds coffee, garage sale-ing with her kids, a trail ride on the side-by-side with her love, and a movie with family to end the night, was a perfect day to her.

She will be remembered for her wonderful smile, giving heart, and selfless attitude. The laughs that turned into silent wheezes and most of all her

beautiful singing voice. Her voice touched so many hearts.

Angel Townsend is survived by her partner and the love of her life Mark Young. Her children Brook Townsend, Jady Townsend, and Carliss Townsend. Her father Duwayne Simmons and his wife Sandy, mother Donna Reed and her husband Charles. Her four siblings Crystal, Michael, George, and Robert.

From us kids, Love Love, Mom.. Services will be held at a later date and will be private Family.

“ Angel was such a blessing to me for so many years. Even when she probably didn't feel like it , she always took the time to listen and give me great advice. She was loved by my family and we will forever hold her in our hearts.

“ It was such a shock to hear of Angel's passing. Angel and I started working for CMH home health and hospice on the same day. We learned together, laughed together, shared frustrations together and rejoiced with each other over good things that were happening in our lives. Even through I have never met Angel's children in person, I feel I know them as Angel shared the love she has for her children and many stories about her kids. I am so very sorry for your loss. Our thoughts and prayers are with you. This was a loss for all of us her knew her also and we will think of her often. Terry Warren

“ The last conversation I had with her was a phone call. We talked about how much she loved Jesus Christ and how she wanted to love her patients the same way. I will miss her so much, but I know she's doing better than ever in the presence of God.
