“ *So sorry to hear of Mrs Tennant's passing. I enjoyed having her as my kindergarten teacher, and always remember playing in the courtyard at FBC Humansville right next to her house before the church added on. As you age, your memory (while fading generally) may actually improve regarding those whose simple care, compassion and tenderness left an indelible mark on your life. Mrs Tennant was one of those teachers who not only gave so many a great start to their educational journeys, but continued to "check in" on your progress from time to time and celebrate your successes, or encourage you through a difficult stretch. She was a special lady. My condolences to the family. I apologize I could not attend the service. You are in my family's thoughts and prayers.*

“ Mrs. Tennant taught all 3 of our children at Humansville. They all loved her & so did we. She made everything fun & the kids all learned so much from her. I got to go to the Bolivar Park with her class, I think the adults had as much fun as the children. She will always be remembered as a wonderful teacher & friend.

“ I want to express my condolences for the loss of your mother, grandmother, but to a lady that was such a great teacher and a second mother to me. I will always remember her way of teaching us in school but it was the times I came to the house where she continued to teach life lessons. She was a sweet kind person and loved by so many. She will be missed. Kurt, Mike, Linda, and Greg may GOD comfort you during this time.

“ I was so sorry to hear of Mrs Tennants passing she was a very special lady. I will never forget that in a time when it was not easy to find left handed items she went out of her way to get them for me when I was in her class. She will be greatly missed by many.
