“ Helen Childress lit a candle in memory of Anthony Newcomb

Helen (Strack) Childress - October 22, 2022 at 05:59 PM

“ Tony was special: smart, witty & fun to be around. We had many fond high school times together. Tony made you feel good by his presence. He was the first person that I would look for at one of our reunions & he'll be missed. You have my deepest sympathies, Lois.
