“ I wanted to let everyone know how incredibly thankful I am that Barb was the mother that she was and raised such a wonderful man in Ken, and that she and Jim welcomed me into their family right away, with a hug, along with my daughter's and grandchildren. She had a heart big enough for everyone. The last time I was able to visit with her was spent with memories of her family as that was always first to her. I will always share those memories with our grandchildren of her love of family, It's a great legacy that she has left us.
