“ *Betsy, Leah, Julie -*

I'm so sorry for your loss. I truly enjoyed fishing with Barry every spring and will miss having him around to banter back and forth with dad. The two of them reminded me of Walter Matthau and Jack Lemmon in Grumpy Old Men sometimes. I'll never forget the first time we went spoonbill fishing. He was the first to snag one that day.

I'll be praying for your family. Best wishes and thoughts with all of you right now.

“ I think of Barry as great company, a good friend, one who was a forward thinker, a true outdoorsman, as well as a dedicated educator and family man. When I worked with Barry at Lebanon Junior High School, I recall Barry getting a group of teachers together to cut and deliver firewood to our custodian's home when Pete was unable to work due to a serious illness. Barry took the initiative to organize and execute this true community service activity before the term became fashionable. Barry's many great qualities will be greatly missed.

“ Barry and I were good friends in High School. We reconnected several years ago and had planned a fly fishing trip this coming summer. Barry was a special person and I will always remember the good times we had together and some of the crazy things we did. Rest in Peace My Good Friend. My Prayers are with You, Betsy, Leah, Julie and Family!

May You Find Peace in Heaven with our Father,
