“ I didn't know Becky for a long time. I worked in the assessor's office for 2 years. But the short time I knew her I admired her very much. She always spoke to me, and always asked how I was doing. I quit this past Sept. and seen how courageous she was coming to work at times I knew she did not feel well at all. But she always found a way to smile and go on. No matter what. We could all learn a lesson from that. She will be sadly missed. My thoughts and prayers go out to her family. She will be missed.
