

Berniece Elaine Bouling

June 24, 1919 - March 22, 2018

On March 22, 2018 Berniece Elaine Bouling went home to heaven. "Nana" as she was known to many, was the matriarch of the family and a pillar of strength, whose sense of humor and love of life will be missed by many. Nana was a woman of strong faith and loved the Lord. She was a member of Mt. Olive Baptist church and would share her faith with anyone she met. She was preceded in death by her parents Right and Dollie Arney, sister Sharlene Jung, son Kenneth Bouling, daughter Berniece Fugate, and son in law Bill Fugate. She leaves behind a sister Marvene Jackson, son Donald Bouling and his wife Nedra, daughter Lois Bouling, grandson Michael Bouling, grand daughter Lori Simmons and her husband Broch, along with many cousins, grandchildren, great grandchildren, and great great grandchildren. Although she will be sorely missed, and the world will suffer without her presence; we are blessed to know that she celebrates in Heaven with her God and those she loved. Visitation will be held at Mt. Olive Baptist church in Bolivar on Tuesday March 27, 2018 at 10am. Celebration of life will be held following the visitation at 11am. In lieu of flowers, donations can be made to American Cancer Society.

“ *To the family of Elaine Bowling, my deepest condolences to each of you. I had the pleasure of working with her at OACAC, and she was such a treasure. She was always smiling and laughing, and I never heard her ever say an unkind word about anything. She was so very proud of her children, and her grandchildren “were her heart”. May God comfort each of you and give you comfort in your time of sadness. We will love and miss her too*

“ *I remember Elaine when I attended Mt Olive as a youngster. She was a lady through and through and loved her family and her Lord. My sympathies to Don, Lois and other family members.*

“ Too many memories of this faithful Christian woman to pick just one. What an example she was to all who knew her! She will forever live in my heart and the hearts of my family. A priceless friend, who welcomed my family into her family. We are so blessed to have loved her as she loved us. This is only a temporary farewell because I know we will see each other again one day. Love you, Nana
