“ *Betty is in the sun, the wind, the rain,  
She's in the air you breathe with every breath you take.  
She sings a song of hope and cheer,  
There is no more pain, no more fear.  
You'll see her in the clouds above,  
Hear her whisper words of love.  
You'll be together again,  
Until then, listen for her song.*

*May God comfort you during this time of loss.  
Thinking of you. Alicia*
