“ David, Billy, Roxie, Sheri,

I want to tell you how sorry I am about your mom & dad. Nothing will heal like time. My love and prayers are with you all. Remember all the good times. I know you will all lean on each other to get through this very hard time. I am always here and am a wonderful listener any time. Maybe soon we can all take some time to get together. Family is so important and we all say tomorrow but as we all know to much time passes so quickly. Again my love and prayers are with you and your families. Hang in there.
