“ *Dear Tim and Mike and Family, I will never forget the kindness of your mother. She had a calm assurance about her. She took care of both my sister Donna Jean and I when my great aunt was at Columbia Medical Center. We lived at your house in Humansville for a month or so. She picked us up for church each Sunday. It is because of her, that both Donna Jean and I were baptized into the Methodist faith. May God look down and give all of you peace. I will always remember your mother. With Deepest Sympathy, Betty Snipes Garnett*
