“ We truly regret the loss of Bev to her family and ours. Her hunger for the Word of God and her honesty inspired me to teach the Word of God with enthusiasm, knowing that she would be interested in learning about her savior. I will never forget the manner in which she touched my life and others as she encouraged us to live for Him.

“ Grandma,
Hi grandma I am such a loss for words. I love you so much and will never forget how much of a great role model you were to my life. You never gave up on all your kids and grand kids and that made you such a special woman who could never be forgotten. I will see you soon I hope.
