

Bill Black

July 21, 1930 - April 19, 2017

Bill (known to many as “Blackie”) was born in Oklahoma City on July 21, 1930, to Landis and Ruth Black. He enlisted in the Navy as a young man, later becoming an officer. Bill served on both the USS Wasp and USS Morton, and was a proud and patriotic sailor.

After leaving the service, he lived in Northern California for many years. However, he always dreamed of someday having some land in the Ozarks. His dream came true when, 11 years ago, he moved to a beautiful property in Bolivar, Missouri. When asked how he found Bolivar, he would reply that actually Bolivar found him.

Bill enjoyed life and had many interests. He loved working in his workshop, and could build anything. He loved working in his yard or on his property, and always made everything look beautiful. He would always rather “play outside” than be in the house. And he loved feeding all of the squirrels, birds, turkeys, deer and other critters out in his park-like backyard.

Bill enjoyed traveling -- trips to the Holy Land, Russia and Thailand were highlights -- and he loved going to Hawaii. He also loved researching his genealogy, and has accumulated the names of thousands of ancestors, going back to the 1500’s.

Bill loved his family and loved his church – but most of all, he loved his Lord and Savior Jesus Christ. He greatly impacted so many people, and will be sorely missed.

Bill is survived by his Wife, Alanna, of Bolivar; Children Sherri (Black) Emitte (husband Mike), Brenda Black, Rick Black, and Robert Black (wife Jennifer), all of Oklahoma City; and his amazing neighbor who was like a son, James Taylor (wife Debbie), of Bolivar; Brother, Ken Black (wife Shirley) of Bolivar, and Sister Helen Strickland of Whitesboro TX; 9 Grandchildren: Scott Olson (wife Meredith), Matt Olson, Brian Fink (wife Tonia), Keli (Fink) Percy (husband Clyde), Daniel Fink (wife Lisa), Rachel (Black) Rutherford (husband Travis), Elijah Black, Ryan Novak (wife Courtney), and Hallie Black; 10 Great Grandchildren (and 2 on the way); and several loving nieces and nephews.

Services for Bill will be held 11:00 AM Thursday, April 27, 2017 at the Brighton Highway Assembly of God Church. A visitation will be held Wednesday, April 26, 2017 from 5-7 PM at the Butler Funeral Home, Bolivar, MO. Burial will take place in the Missouri Veterans Cemetery, Springfield, MO

“ *It's amazing how many people you remember from Tracy Defense Depot, Bill & Alanna are remembered by me. I knew him as Lt. Black, USN. He was always upbeat, professional, friendly and one could not help but like him. I can still see him fit & trim in his uniform walking throughout the office. Condolences to Alanna & the family. Smooth sailing sailor.*

“ I met Billy, along with @25 others, on our first day at Corn Products, Int. on 1-5-81, in Stockton, CA.. I didn't know it then, but we would become a family over the next 30 years, or so. We spent more time with each other, than with our own families. Between learning to run a brand new, highly automated factory, eventful startups, and shut downs, and the cast of characters working together for the common cause, there was never a dull moment. We learned so much about each other over the years, and I respect Blackie for his Naval service. Now Bill always had a story, sometimes becoming quite animated while telling it. His sincere smile and infectious laugh always brought me out of a bad mood. He was one of the hardest working men I've known. Bill was of high ethics, morals, faith, character and compassion, and I feel I am a blessed man to have had Bill Black in my life. Now I don't say this about just anyone, but I love Bill and Alanna. They are the role models that all couples should look up to. I will fill the hole left in my heart, with memories and the knowledge that Bill will be watching over his family, and I pray that includes mine. ❤️🙏🌹🇺🇸
