“ *I love you grandma. I miss you everyday. There's not a day that goes by that I'm not thankful for you to watch over me. It sickens me that you wont be here for Christian. That's your first great grand baby. My son.... he's suppose to be here in February. I feel him move and kick all the time. And I know he would have loved his great grandma. I wish I could come see your grave, and my plan is to come visit it before I die. hopefully I will be able to bring Christian with me. I know you would have loved his name. Rest easy grandma, remember you are not forgotten.
Your Granddaughter, Sierra Gott*
