“ *Darren and family - I am so sorry for your loss. I thought the world of Bill and he took me under his wing as if I was his own kid when he and I became neighbors (and coworkers) several years ago (around 1996 or so) in the old apartment building he lived in before he moved into his late home. I am gonna miss our phone calls, cards and visits whenever I come back to see my family in Bolivar. He was a wonderful person and I am so blessed to have had him in my life as he was a very dear friend. I could always count on him when I needed a friend, advice or just someone to vent to. God Bless.*
