“ Bill was always a super hero for my family. He made funny memories for Tommy when he was a young person. He bet Tommy he couldn't bite a green persimmon and then whistle. Remember Tommy was a little kid at that time. He bit it and whistled and Bill picked him up by the seat of his pants and threw him in the pond. I think that was the day Bill taught Tommy how to swim. He has always been so good to my family. We all love him so much. so glad he can finally be with Marylyn.
