“ *To all of the family members; We want to send you all of our thoughts & prayers at this very difficult and unexplainable time of sorrow.
May you find peace and comfort knowing that on the 22nd God was blessed with "2" Special Angels..."A young boy and his Mommie."
And we hope that it brings you peace knowing that they're "both" together in heaven. That's the only way that we're dealing with this tragic ordeal. We didn't personally know Blake and his Mom, Sheila, but something this tragic...we will never forget or understand. May God wrap his arms around all of you today and all the days to come.
GOD BLESS YOU! The Uder's*
