“ *Brad was a great guy, always had a smile on his face and loved to laugh. He was a very hard worker, we were co workers in Texas. Really wish i would have kept in touch with him. Gone way to early brother. RIP my friend . You will be missed by many.*

“ *Brad sat and waited with my daughter, Darian Treacy, when they were in junior high for 1 hour while I desperately tried to get back from Springfield to pick her up. He was the only one that showed her concern, caring and kindness. He was a true gentleman. I will forever be thankful to him for sitting and waiting with her. You raised a phenomenal man!! I am so very sorry for your loss!! Darla Treacy. All our love, Darla, Darian, Kaleb Treacy and Jake Spindler*
