“ *Dear Libby and Mike:
I have spent a lot of time with Brady just talking about, his life and the days we spent together at the Church. I sure enjoyed these talks, Brady and I had, He has grown up so much I looked forward to him coming by. I was sorry he never got a deer out here but guess it wasn't to be. Life is not always what we planned for ourselves, but things happen and it's up to God what our life will be like. Right now I have some issues that are not very pleasant as well as most people do but I am learning to live with it. I will not be sending flowers but have something in mind. I talked to Loeta and will be in touch later God bless your family and you will be in my prayers. Love your family and have been apart of you life for many years. Beverly*
