“ *Cam was the most wonderful brother that anyone could ask for. We were 13 months apart in age and grew up like twins. He has always been there for me to lean on. I cannot imagine life without him. I miss him so much. We know that it was God's will.*

“ Though I have not seen Cammie since 1957, we shared the Halfway School System for 12 years. It seems everytime students were seated in alphabetic order, he was either in front, behind, or next to me. I remember him as very polite, quiet, bright, with a very quick sense of humor.

My husband and I send all his family our deepest sympathy.

Sincerely,

Clyde and Sharon Scott

“ I was one of the 28 that graduated in 1957 with Cammie. He signed my year book "I'm like the man in the corner, my mind's so blank I think I'm a goner". It's amazing what you remember. I remember Cammie as quiet and smiling. I know he will be missed greatly.
