“ *Lucila, what a beautiful trtiube to your Abuela! I will certainly be generous with my smiles today. I understand your sadness; I was very close to my grandmother who was full of smiles and laughter who died in 2001. She was my matron of honor in my wedding and held on to her life until she met my first baby, Maddie. She literally died the next day I still miss her and think of her every day. My heart is wrapped around you today!Darcy*

“ I was shocked and saddened last night to learn of Carol's passing. I have fond memories of our trip to Florida in 2000 and her trip to New Brunswick in 2001 and, of course, our many, many games of canasta! I am very sorry for your great loss, but know that she is watching over all her loved ones. My thoughts and prayers are with all of you. Charlotte

“ Our sympathies and prayers are with the entire family at this time of loss. Even though we are not acquainted with the family, our Daughter-in-law, Dawn, is deeply sorrowful at the loss of her Grandmother. As her Pastor and in laws, we share her great loss. May God bless each family member as you face this tragic event in your lives.
