“ *It has taken me some time to be able to sit down and write to you of my sadness of Lynn's passing. I remember well that she was the very first friend that I made at Fair Play Elementary when I moved here in the 3rd grade. We kept in contact over the years, ended up going to Day Care together at Creative Years, and kept in contact through HS... I have always felt a little bad that I didn't keep in better contact with her over the years. We were kindred spirits in many ways, and even though I didn't keep in touch, I will miss her very much. May God bless and keep your family during this time of loss.*

“ *Carol, So sorry to hear about your loss. I know you will miss her terribly. I told JoAnne about it today. Wish we would have known about it sooner - would have come to the funeral. I will keep you in my prayers, take care. Rose*

“ Lynn was a great blessing while attending First Assembly of God here in Bolivar. She was a very dedicated help to me in running the lighting for choir productions. I am sorry for your loss and pray God will comfort you as only He can.

“ Lynn was a wonderful person full of life and vigor. Even though we had a falling out I still have both of the hearts we seperated and gave to one another as best friends during our last days of high school. If you could, Carol, give me a call. My home phone # (702) 312-3702 and my cell # (702) 277-1146. Thanks and I don't even know how to explain my feelings. Please give me a call. I ALWAYS WILL AND STILL LOVE YOU!!!
