“ I work for Springfield Trailer, and Casey was our IT guy. We saw him often and always loved it when he came around. Casey was so nice and always super helpful. That kid knew his stuff! We always talked about what a bright future he had ahead of him. I am so heartbroken for your family and will be praying for you, even though we have never met.

Best Regards,

“ Whenever and whatever time, Casey was there to help me personally while working from home for Baron Cardiology and, also, when I returned to Baron Cardiology he was there. Always a respectful, sweet, and intelligent young man who knew what he was doing! Casey will be sadly missed!
