“ I sit up late thinking about my mother especially since she went to Northwood. I just got the nerve to read her obituary. She IS (was) the most awesome mom!! If you ever met or knew her- she had a heart of an Angel. Intelligence. Class. Kind to every one. She might have worked in an office the last twenty. SSome yrs. But she knew her residents. It wasn't. Necessarily about a job to mom. She always (tried) to put her residents number 1. Just like her children. And I'm sure, she is telling me,from heaven,"Tera Merie!! Stop your crying all the time. Mommy's better now". It's your turn to keep this family together. So dry it up! I love you to". I miss. Her. I feel so lost w\out her!!! It was just. To soon. But it's ok. This is a song she liked. Joplin. Mercedes Benz. 🥹And imitating.Lily Thomlin~Edith Anne. (The little girl,in a giant rocking chair). For ppl that may not know. Thank you all! That love her as much as we do. One of the BEST women (moms) there could be!!❤️

“ Please accept my condolences. Rest assured that our loving God is aware of your pain of heart and he yearns to remedy your despair. (Job 14:15) May God comfort and sustain your family to get through not only this day, but many others to come. (Isaiah 41:13)
