“ *I have fond memories of Charlene's beautiful voice and her gentle ways. Also of our good times on Pomme de Terre Lake with our friends. I miss "old Humansville" with Skidmore Ins., Palmer's Store and so many others whose friendship I cherished. It is comforting to know Charlene is no longer suffering in any way. It is my honor to have called her "friend."*

“ To Robert & Sue, our deepest sympathies and warm thoughts in regards your dear one. Ken would have know her much better than I but she seemed a warm hearted lady and sounds like she served her family and her church in a way that would please her Heavenly Father. May you hold the memories very close.
