“ *Was so very shocked and saddened to hear of the passing of my friend, Charlie. We had been friends for many years and I will always have fond memories of working with him in the Bolivar Rotary Club with the Celebration of Sharing and the High Achievement program. He was always so kind to me at the time of loss and was supportive of me throughout the ups and downs of life. Please know that you and your family are in my thoughts and prayers.*

“ Charlie was a great man. I always did enjoy our conversations when I worked at the grocery store. Much like many others, I hold a great deal of sentimental value in the jewelry store - grandpa and grandma, and mom and dad always did business there. My dad bought my mom's wedding ring from him. He didn't have much money but Charlie cut a deal with him and floated the loan with no interest. I bought my first watch there. And when the day came, I had my wife's wedding ring (it was passed down, otherwise I of course would've got one from Charlie) cleaned and resized. Charlie had a kind and gentle spirit, he was a true craftsman, made a huge impact on his community, and leaves behind a great legacy. This is indeed a time to mourn. I'm praying for your loss and that the Prince of Peace would comfort you, Julie, Adam, and family.

“ Charlie was one of the nicest men I ever knew! He always took time for his customers and gave them his full attention. He was so kind to Steve and I when we were going through the illnesses of Steve's Mom and Dad. He and Julie were so nice. We loved going in Millers and looking at all the goodies. Since we have moved we have no Millers to go to and have really missed it. Rest In Peace sweet man and God be with you Julie! Sending love and prayers! 🙏

“ I bought our wedding rings from him 45 years ago and other jewelry for my wife over the years when I was on the fire department I called him to help me with getting a ring off a patient I can't remember if it was Dec 24 or 25 but He was glad to come and help and we still laugh about it.
