“ *We miss you, Grandma Charlotte. We had a lot of great laughs and good times, and knowing you can look down on us now and then comforts us. I know that when you crossed into Heaven, Grandpa Charlie met you and pointed out into the fields where Alan was on a tractor, and it was just as if time didn't stop. Thank you for loving us and being part of our family tapestry. You created an amazing family that loves and cares for each other and will keep carrying on the family traditions. We love you so much!*
