“ I've known Chauncey since grade school. Consider him one of my oldest friends. I actually introduced him to Deb, also a life long friend. Such a nice person, I will miss him.

“ Chauncey leaves a hole in our lives that cannot be filled! He was a friend of mine for 30 years that always rose to the occasion to help me in any way!

This was what he also did for others! As I will always remember our many times having coffee and discussing many things along with politics of which he had a gentle opinion about. (NOT) Chauncey would be the first to tell you that he was not a perfect Man! He would also tell you that there was only one perfect man which is Jesus Christ who died for us on the cross! As I work very hard each day to accept the loss with a tear in my eye, I too know there is a better place where we will meet again some day of which he now exists!

"You will have that on these big jobs" Just one of many sayings that we would share. Praying for all involved connected with the loss of Chauncey!
