“ Randy & Anne, So sorry to hear about the loss of your daughter Christina. It seems to me that we are at the age when life no longer gives, but has started to take away. But the loss of a child, how do we prepare for something like that? There is a song that I listened to quite often after Mom and Dad and Brother Rick passed away. It speaks of family members as links in a chain and when a link is broken from the family, it finds itself in Heaven. We look forward to the day when all the links are put back together. Love you guys and look forward to seeing you both someday soon. May our Heavenly Father give you His Peace and Grace and may He sustain you in the days ahead. Rocky & Connie

“ I only got to know Christina over the last 7 months but it was both a joy and an honor to have known her. I worked with her at Parkview & yes she was dearly loved by her coworkers. Christina was a hard worker & one of the sweetest people I have known. We shared an office at Parkview & we used to have the best long talks- I miss that a lot. I am going to miss her & her beautiful smile but I know someday we will meet again. I am so sorry for your loss. Please know you are in my thoughts and prayers.

“ I didn't know Christina personally, I've never met her. I was looking on the obituaries and I saw hers, its always sad when a young person passes away. I then saw that she had been battling cancer, my brother who is 28 has been fighting stage 4 cancer for two years now. I want to say that the family has my prayers and that Christina is no longer suffering.
