“ *I wish I had had the opportunity to get to know her, She was my Gr Aunt. Her sister Nova Ball Billups was my grandmother, through her son Homer. She sounds like someone I would have had a lot in common with. I would love contact with the family. God Bless you Aunt Cleo With Love from Brenda*

“ *I remember Mrs. Springer always having a smile on her face and a kind word to offer. She would deflect Barchey's endless teasing and fire it right back at him, with a great laugh. I'm so sorry for this loss to your family, she was truly a good person.*
