“ To Each family member,
I started working WIC in 1994 and I met Bob soon afterward. He was a man strong on doing things the right way. I really appreciated his desire to see everything work efficently. This was an inspiration to me and I have tried to make that a focal point of my job.
My prayers are for you all. His loss will be felt by many.

“ *I was so saddened to hear of Mr. Keeling's passing. It was a pleasure to work under him in the WIC program. Always good for a laugh, always patient in regards to mistakes on the job, a highly intelligent man. We both served in the military, I in the Army, so we had that in common. Instead of calling me by my name most often it was "Mon-ti-chello". It is hard to say goodbye to loved ones but I pray your memories will help make the days ahead easier for you all.
