“ John and I are so sorry we didn't know that Connie was sick sooner so that we could have come to see her. I know we weren't that close for quite a while but I still remember the time we shared together when she and Steven lived with me and Samantha at the apartments. I remember too the trip we made to Springfield in 1980 before she lived there. Our hearts are heavy and our thoughts and prayers are with all of you in the hope that you will find peace in the knowledge that she's home with our Lord now.
