“ You were the grandma I never had. You had a silly way of spelling grandma, and I know we didn't always see eye to eye. However, you showed up when you didn't have to, and took the responsibility of grandma seriously. I'm sad we never got to get things "fixed" before you got sick. I love you dearly, and I hope you're back to your old self, and at peace now. I'll forever be grateful you got to meet my babies.
