“ I don't know if you all remember me, I lived across the street on Maple Dr, in Oakview Missouri. We had the big dogs. :) I had this feeling for the past couple of months that I needed to find you guys, Corey, Chrissy, Mikie and Angie. It was something that kept pulling at me so I was looking up eveything I could online and now I know why. I can't believe Corey has passed away. I am so sorry for your loss. I know that it is very hard. Megan, my sister just passed away about a year ago. I am going to be moving to the Joplin Missouri area soon, and I'd love to see you all again. Please contact me when you have time. My cell number is (816) 217-3498. I've really missed you guys! Take care! Jessie

“ I truly hate to hear about Corey, but we know how you must feel, It has been almost a year now that Megan died. They were both so very young. We must try to find the comfort in knowing that they are now at total peace, in God's hands. I can see Corey & Megan together in heaven, playing like when they were in kindergarden. Please contact us, as we would really like to visit with you all. Mary Stahl (Oakview, Missouri)

“ LOVE YA One morning you will never wake up. Do all your friends know you love them? I was thinking...I could die today, tomorrow or next week, and I wondered if I had any wounds needing to be healed, friendships that needed rekindling or three words needing to be said. Let everyone of your friends know you love them. Even if you think they don't love you back, you would be amazed at what those three little words and a smile can do. And just in case GOD calls me home before I see you again..... I LOVE YA!!! Live today to the fullest because tomorrow is not promised
