“ *Joyce and Family, I had not learned of Darrell's passing until today. My sympathy and prayers are with you all. I certainly have some very fond memories of Darrell, and you too Joyce. Especially his sense of humor, and hearing all the jokes he learned at the Fire Station. I especially remember how kind and neighborly you both were to me when I lived there. By-the-way, I still have the Pinocchio that you gave to J.D. when he was so small. We still use it at Christmas every year and I reminisce. God Bless you.*
