“ *Like my father Darrell is one of the best men I have ever known. I remember him from when I was a little kid . I remember working with him on the roof . It's the best time I've ever had at any job . He always had a smile on his face and could lead a whole crew no one ever grumbled or complained he was a great boss and fun to work with always making me laugh and picking at me but also helping me overcome fear of heights etc . A great man who I will never forget and always admired and looked up to*
