“ *Susan, we were so sorry to hear about Darrell but perhaps God thought he and his family had gone through enough suffering. We will always remember you and Darrell and the family, especially at the Lamoni church. You were both so helpful to us. Your family has been an outstanding example of God's witnesses. May the Holy Spirit give you the comfort you need now. We shall meet again. In Christian love, Dick and Peggy Gifford*

“ My deepest sympathies go to Dr. Strait's family. I was a student of Dr. Strait the first two years he was at SBU. He was a wonderful teacher, and an inspirational person. I have often thought of him throughout my professional career when a question would arise in our chemistry labs. I thank you for sharing him with his students. He inspired many lives with his own. “ He will always be remembered as you share the stories and the memories of how he lived his life and how very much he meant, may you find comfort...And, throughout this difficult time, may you also know the deep sympathy and concern that is felt for you and all your family. I have fought the fine fight, I have run the course to the finish, I have observed the faith.-2Timothy 4:7. As for me, I will lie down that I may sleep; I shall certainly awake, for Jehovah himself keeps supporting me. -Psalms 3:5

“ I was a student at SBU during Dr. Strait's tenure. He had a special way of reaching out to his students, making sure you learned more than just chemistry. He will be fondly remembered by all. My sincere condolences to his family.

“ Dr. Strait left such an impression on me as a young SBU student. I specifically remember sitting in his Chem II class one day when suddenly a big tall upperclassman ran into the classroom and gave him a huge hug in the middle of his lecture and then ran right out of the room again (this was in 1994). Without missing a beat, but with a little bit of a sheepish grin, he said "That was my son." I looked up to him for the way he and Jeff interacted...and I appreciated the way he treated me as his student. His example has impacted me forever. My prayers and love to his family. I am blessed to have him as part of my life's journey.
