“ *I was shocked and saddened when I heard the news of David's passing. It just didn't have to be this way. I haven't seen David for a very long time, but he has always been in my thoughts. I think I was one of the few people who would actually get on the back of a motorcycle with him, since he was pretty accident prone at times. God speed, David.*

“ *David was one of the sweetest guys I know..he has always had a soft spot in my heart. We were the habitual daters on again, off again, all the way through high school. I will never forget David he was truly a pain sometimes, but in a FUN way. He will be missed and he didn't need to go that way. Rest in Peace David.*

“ I think this old Alan Jackson song sums it up pretty good: "Way down yonder on the Osage River it gets hotter than a hoochie coochie. We laid rubber on the Warsaw asphalt, we got a little crazy but we never got caught. Down by the river on a Friday night, pyramid of cans in the pale moonlight. Talkin`bout cars and dreamin`bout women, never had a plan, just a livin` for the minute. Yeah way down yonder on the Osage River, never knew how much that muddy water meant to me, but I learned how to swim and I learned who I was, a lot about livin` and a little `bout love".

Lots of memories pal. Someday we'll make some more. "SEMPER FI"

“ I was so sorry to hear of David's passing. I graduated with David, and I wish we could have located him for our last class reunion. We tried really hard to find him, but I guess it just wasn't meant to be. He was a great guy and a lot of fun to be around. We will be missed!

“ To Dave's Family - Sorry to hear of Daves passing. The thing I remember about Dave is his fast driving in high school. We were on the river road, on the S curves and I shut the key off on the truck. Larry Burton, Dave and I returned to the dance. Those were the good ole days!!. Class of '67.

“ We purchased our Yorkie from Dave. She is the sweetest little dog. We also helped Dave sell a Yorkie through our son's pet store. Dave loved and took good care of his dogs.

“ I remember the day Ilo was taking batting practice for summer league baseball. He swung at a pitch and fouled it off. The ball hit him right between the eyes it knocked him out. We all thought he was dead then.

When he was 16, he bought an old Cadillac. He thought the girls would really like it. He had it about two weeks. Wrecked it. Totaled it out. A couple of old Chevys went by the wayside soon after that.

I took him to Springfield when he shipped out for Marine Corps basic training. He wanted me to go with him. He was a better man than me.

He was a groomsman at my wedding.

He was a good friend for a long time. Im sorry I lost track of him over the past many years. I have missed him for a long time.

“ I was shocked to hear of the death of David. He was such a nice guy. We graduated in the same high school class and it seems he was way too young to die. My memories of him were his dry wit and kindness to me. I am so sorry for your loss. Thank you David for serving our country!

“ To those members of Dave's family, I am sorry to hear of the passing of Dave. I went to school with him at Warsaw High School and have fond memories of a gangly kids (all arms and legs) with a crooked grin. Always smiling and always pleasant. I am sorry for your loss.

“ *My deepest sympathy to Davids family. I remember David as a teenager and that I used to give him and a girl rides to school when I drove. He was probably 13 or 14 at the time. Those were very good times.*
