“ *What a wonderful life David lived. I'm sure he was very happy to have spent the last month surrounded by his girls.*

A wonderful memory I have of meeting Dave was the wonderment that just poured out of his soul whenever he met someone. No one was a stranger to him. My own father use to tell me that "old people talk to old people", but Dave took that sentiment and value and crossed all sorts of generational boundaries.

Today David is at peace, no pain and leaves a beautiful mark on the world.

Prayers of comfort and peace are offered up to the whole Estes Family.

“ *David Estes was one of the 'coolest' men I've ever known. I loved engaging in conversation with him, I loved to hear him preach. He had nice hugs too. I have no doubt that he has been welcomed into heaven with open arms.*

My thoughts and prayers are with you, his family, during this time of sorrow and remembrance. May God bless all of you with knowledge of the rich legacy David has left you.

Sincerely,
