“ *The last time I saw David was the day before he passed away. I broke down crying and being the gentle person that he was he pulled me down with both arms and hugged me. He said I was his favorite and he was just waiting to see me. I asked David if he was scared to die, his answer was NO. I asked him to say hello to our family that has passed on before. He assured me he would. Now you know, you know what is on the other side. I love you and miss you. Aunt Carol*

“ *My sympathy goes out to the family. David was one of my favorite customers, when I worked at the bank, We liked to talk about his horse. I know he will be missed by everyone that knew him. Thank you, Neoma Stacy*

“ *My brother was one of the best brothers in the world. I remember when we were kids and didn't live to far from the Heart Drive-In. He would take us younger sisters and walk to the Drive-In to see Elvis movies, he absolutely loved Elvis and almost all of his albums, that way he could sit and listen to him for hours. I Love You Davy and hope that you finally get to meet Elvis.*
