“ On behalf of the Soldiers and Leaders of the 554th Engineer Battalion, I would like to extend my sincerest and deepest sympathy to you and all the members of your family for the tragic loss of your husband and father, David. Words cannot describe to you how sorry I am about this tremendous loss with his recent death.

As you know, David was formerly a student (twice as a 2LT and CPT) in both Bravo Company for the Engineer Basic Officer Leader Course (EBOLC) and Charlie Company for the Engineer Captains' Career Course (ECCC), the Commander of Delta Company for young Engineer and Ordnance Soldiers during their Advanced Individual Training (AIT), and most recently a Small Group Leader (SGL) for the ECCC - Reserve Course (ECCC-RC) which trained students during their Professional Military Education (PME) here at Fort Leonard Wood.

He has made a lasting impact on this unit and so many others who he served with here and across the U.S. Army. Our hearts, thoughts, and prayers are with you and your family during this time.

Sincerely,
Kevin R. Golinghorst

“ I served with Dave at Fort Hood, TX. I'm so saddened to hear this news but comforted that I know he was a wonderful God-serving man. I took over a team of his and I remember him as a very thoughtful and dedicated leader in our organization. Despite being away from his family, he brought a positive and friendly attitude to the workplace. As a man who lost his own father at a young age, I know this will be a hard road to walk. Please know that the Peterson family will be in my thoughts and prayers during this challenging time.

Sincerely,
Mike Jappe

I was his XO in Delta Company and learned so much. I will not forget his patience and kindness towards me.

My prayer is that the Lord will grant each of you a special measure of faith and comfort knowing that God is in control.
