“ *I will never forget the shower story when Debbie thought the shower cleaner that goes round and round was a soap dispenser to clean yourself. She used the cleaner and said that it was not a good soap cleaner. We laughed and laughed at her and finally told her what she did. Always a great source of humor. You will be missed Don and Connie Jackson*

“ *Roy, I am so glad you and Debbie got to come visit us--I know she enjoyed herself!!  
There's a bear, there's a bear!! To her children, grandchildren, my aunt and cousins--  
she was one of a kind. She loved you dearly Roy--she told me that just last week.*

*We knew it was coming but still, so sorry for your loss..*
