“ *Deb was my sister, and I think were as close as any to siblings could be. She was as much a buddy to me as a sister. We say many times together, both good and bad. She spent the last 5 years of her life with me here in bolivar, and I am grateful that we had that time together. I miss her and love her very much. I know that she can now see all she wanted to see. She is truly missed by her "little" brother", Chris :-)*

“ Amanda ~ My thoughts and prayers are with you and your family during this most difficult time. I only learned today in the Telegraph (Alton, IL) that your mom passed away. I did not know that she was sick. I am so very sorry for your loss. I met you a couple of times when you were with your mom, once out shopping and once at Jack-In-The-Box. I don't know if you remember or not. Your mom was so loved and well thought of. We went to grade school together (St. Mary's) and I can still hear her contagious laughter ringing in the hallways! She was a definite blessing. I so enjoyed talking to her when I ran into her. Please feel free to respond to this e-mail; I would be happy to keep in touch. I plan to attend your mom's memorial service on Saturday at the Hillcrest Apartments. Again, my sympathies, and I will keep you all in my prayers. Take good care.

“ Beloved Amanda, I am so sorry to hear about your mom. Your parents were the most loving and caring people. Do you remember how much we laughed when we were together? I hope you will heal from the pain of losing her as you go on with your own life. Uncle Junior

“ Dear Chris and Mandy, Just found out from the folks about Debbie. I'm so sorry. I didn't know she had been ill. (the news is slow sometimes getting to Tennessee by way of Massachusetts). I will always remember Debbie's love for life and her easy laugh and all of the good times we all had together growing up. I sure you both have many such thoughts which hopefully will as time goes on help soften your loss. Our thoughts, prayers and sympathies are with you. Lou & Kay scudere
