“ *Dad was an amazing man. He was always joking around. Fiercely loved his family and was a proud Marine. He was always there to help anyone who needed it. He loved Nascar, John Wayne movies, fishing, camping, and going to the casino. He never treated me less than his own. He was funny, and witty, kind and loving. I will miss him very much. Love you dad, rest in peace* 💜

“ One day he went fishing with Rick Essig and Fritz Dean and he fell asleep in his chair. While he was sleeping the other two rigged his fishing pole so that the bells he was using would go off when Fritz was bringing his line in. When they went off, he sat up fast and yanked on his fishing pole because he thought he had a fish on it and almost fell into the lake... lol
